

PUGLIA

DISCOVER LEUCA'S SEA CAVES AND SAIL ALONG THE ADRIATIC & IONIAN COAST

A SAILING ADVENTURE

Leave all worries behind, feel the fresh breeze! Ships ahoy, spend a memorable day sailing along the Adriatic and Ionian coast of Puglia, enjoying the privilege of your own private sailboat conducted by a pro skipper. Cruising on the waves that brought to life ancient myths and evocative legends, marvel at the beautiful coast of Leuca characterized by limestone reefs and discover the gorgeous Salento coastline. Step on board at Santa Maria di Leuca, located on the extreme southern tip of Italy, where the two seas meet. Leuca's coastline is one of the most remarkable in Italy due to the presence of rare Karstic sea caves. Sailing along both the east side, where the coast is high and jagged, and the west side where the coast is low and has small sandy coves, you will have the chance to admire singular views and see firsthand how the strength of the sea has shaped the landscapes for centuries. During the day, you will be able to spot the different caves and realize how each has its own peculiar atmosphere due to the narrow deep inlets, the colors and shape of the rock, the amazing lighting effects, and the presence of stalactites and stalagmites. Crown your experience with a refreshing local aperitif on board.

DURATION: 4 hours

INCLUSIONS:

- Boat rental
- Local aperitif on board
